

First of all: welcome in our reopened restaurant. Our lives have changed a lot with many new rules. Together we can get through this.

As per Government directives, we are obliged to inform you and impose the following measures as per 7/06/2020:

- **Before you enter, if you or any of your loved ones have symptoms that indicate Covid-19 or the flu, please go home and contact your doctor.**
- **Check the doorway is clear of other people coming out, before you enter.**
- **When you stay in our restaurant, stay seated to order and eat.**
- **If you become ill during your visit to our restaurant, notify us immediately so that a doctor can be notified and put on a mask immediately.**
- **Please follow our safety instructions closely for your and our safety.**
- **Don't shake hands, kiss or hug anyone and avoid any physical contact between personnel and/or customers and always keep a 1,5 m distance.**
- **Having a call/smoke outside and coming back is not permitted.**
- **Cough or sneeze in your elbow or in a paper handkerchief that you should immediately throw away in an existing trash can situated in the dining area.**
- **When going to the toilet, check that the stairs are clear and wash or disinfect your hands after use. Preferably wear a mask.**
- **When leaving our restaurant, wash or disinfect your hands again. Wait till the exit is clear before you proceed to go outside.**
- **If you become ill within 14 days of your visit to our shop, please notify us.**

If you have any questions, please do not hesitate to ask us.

And equally important: please enjoy your stay and have a delicious meal at our restaurant. Thank you and please come back soon.
