

First of all: welcome in our reopened restaurant. Our lives have changed a lot with many new rules. Together we can get through this.

As per Government directives, we are obliged to inform you and impose the following measures as per 7/06/2020 and 23/07/2020:

- **Before you enter, if you or any of your loved ones have symptoms that indicate Covid-19 or the flu, please go home and contact your doctor.**
- **Follow the safety instructions closely for your and our safety. Please fill in your contact details on the information slip provided by us.**
- **Wear a mask for entering, going to the WC, paying at counter or leaving.**
- **If you become ill during your visit to our restaurant, notify us immediately so that a doctor can be notified and put on a mask immediately.**
- **Stay seated as much as possible and don't shake hands, kiss or hug anyone and avoid any physical contact between personnel and/or other customers and always keep a 1,5 m distance.**
- **Having a call/smoke outside and coming back is not permitted.**
- **Cough or sneeze in your elbow or in a paper handkerchief that you should immediately throw away in an existing trash can situated in the dining area.**
- **When leaving wash or disinfect your hands again and wear a mask.**
- **If you become ill within 14 days of your visit to our shop, please notify us.**

If you have any questions, please do not hesitate to ask us.

And equally important: please enjoy your stay and have a delicious meal at our

restaurant. Thank you and please come back soon.
